

Hi there,

Over the years, we've found that a big part of what makes our cohorts so special is word-of-mouth referrals. Alumni share their experiences with friends, who then enroll, become alums themselves and tell others, and so on...

In other words, know anyone who might be a great future Launcher? If so, we want to meet them!

And as a token of our appreciation, **when you refer someone who enrolls for Launch Academy's Boston 19 cohort, you'll receive \$500**. This is a very limited-time bonus *exclusive* to Boston 19 (Ignition starts October 2, on campus December 4); all other cohort referrals receive the usual \$200 bonus.

The Details:

- You refer a potential Launcher
- Launcher applies, is accepted, and enrolls
- New Launcher lists your name as a referrer on their Student Background Form
- New Launcher completes their first full week on campus
- Launch Academy sends you a check for your referral bonus

We can't wait to meet your potential new Launchers!

Best,
AmyLynn Arrington
