Why are we writing to Georgia Democratic voters?

In Georgia, early voting is more crucial than ever: SB 202 now restricts or bans the safest and most achievable voting practices, and even criminalizes bringing food or drink to weary voters in prohibitively long lines. It undermines the Secretary of State, giving the State Election Board unprecedented power to overrule and racially target local jurisdictions. **These postcards aim to combat voter suppression by encouraging early turn out.**

Thank you for hosting a postcard event! We appreciate you.
